Website is ready to go and registered with search engines (Google)
We need updates, stories, etc. that reflect the work of the Foundation
At this time all should go to Chuck. Nick and Jean Fichter will also be able to post.
People will be able to donate through the website.

3. Other Discussions

Fund Raising: Donor letters have been sent

Class of '77 was emailed. About 10 bound back, so John Greenleaf resent them.

Quite a few (more than 50) were returned for incorrect addresses. We need to Google search white pages for as many current addresses as possible.

Discussed using bulk mailing for a newsletter and additional class letters

Kerri and Toni will check into a permit for non-profit bulk mailings
